12-Line Plan

THE SERVICE

Create your entire phone system in minutes. Create voice menus and interactive phone applications quickly through the Hosted PBX control panel.

We built our Hosted PBX inhouse so when you need help, you can count on us. Hosted PBX (or Virtual PBX) is designed to lower the cost of a phone system for your business whilst at the same time providing your business with previously unseen connectivity.

Plug your extensions in anywhere in the world you can expand your office to a different building, or your employees can work from home or across the globe! It will work anywhere there's broadband.
